

HARMONY
IN THE WOODS

Becoming a sponsor of the Foundation for Harmony Presents allows the Foundation to fulfill all aspects of its mission, as ticket sales cover only approximately 50% of its annual budget. Your support makes our programming possible.

The Foundation for Harmony Presents, a charitable 501(c)(3) organization, believes in cultivating individual and communal growth through offering excellent performing and cultural arts programming, as well as educational opportunities for all ages, interests and perspectives. We are dedicated to ensuring this programming is in line with and thoughtfully crafted around our core values of environmental stewardship, arts accessibility and educational enrichment.

We seek to enlighten and engage the human spirit by giving a platform for artistic discoveries and life-long reflection and learning, in our most basic and natural habitat, nestled among the trees, at our home amphitheater, Harmony In The Woods.

The Foundation strives to be an expression of the best parts of who we are as dreamers and doers.
We invite you to join us in the woods where...
